Skills/hobbies

- Bilingual (english, spanish)
- Dabble in homelabbing- run a debian-based server off of a 2014 mac mini, have 3 years of linux experience beyond that.
- Recreationally partake in repairing broken devices like computers & laptops- often look for decrepit machines in local flea markets & thrift stores to restore
- I enjoy singing, and have been meandering around the queens & long island bar karaoke circuit from an early age.
- Can play bass guitar, ukulele, and harmonica.
- Often assist less technologically inclined members of my family, and translate to spanish
- Used to be in the Boy Scouts, where we learned valuable survival skills, beautified local parks, went camping, and hiked across most of the city's bridges. Stopped in 2020 when my local troop shut down.
- Amateur music producer, sometimes record songs and post them online
- Often work in my family's garden, growing & tending to crops.
- Partake in light construction work around the house- lay down flooring, set up scaffolding, trim trees, tend to pool, etc.
- Recreationally 3d print for my friends and family, as well as designing and 3d modeling tools & sculptures in CAD or more art-focused programs.
- Enjoy drawing- have been creating my own little comics since elementary school, and have illustrated for school newspapers going back to middle school.
- Have been acting from the age of 3, as a background extra, and have done many a school play and performed in many local community theatre productions.
